EXECUTIVE PROFILE

Lawyer with more than 30 years of experience in Mexico across private practice, in-house legal leadership, public service and academia. His practice focuses on regulatory compliance, corporate governance, legal risk management and the resolution of business contingencies, particularly in regulated sectors. He combines public- and private-sector experience to support decisions where regulation, government interaction and business continuity converge.

SELECTED EXPERIENCE & LEADERSHIP

ASDEC | Partner

Advises on regulatory compliance, corporate governance, legal risk management, commercial contracts and business disputes, with an emphasis on regulated sectors.

In-house legal leadership

Led legal functions at companies operating in highly and moderately regulated sectors, aligning compliance, legal processes and business needs.

External business counsel

Designs and implements preventive and corrective measures to manage contingencies, reduce regulatory exposure and avoid or mitigate administrative sanctions.

Federal public administration | Senior management

Participated in the regulation of the industrial, commercial and services sectors, with direct experience in institutional engagement and regulatory implementation.

Contracts, assets and disputes

Negotiates commercial and civil agreements, protects intangible assets, manages corporate secretarial matters and represents companies in civil, commercial and administrative disputes.

CORE PRACTICES

- Regulated markets and regulatory compliance
- Corporate governance and legal risk management
- Commercial and civil contracts
- Business disputes and regulatory defense
- Representation before government authorities
- Protection of intangible assets

SIGNATURE CREDENTIALS

- More than 30 years of professional experience in Mexico.
- In-house legal leader for companies in regulated sectors.
- Senior management experience in Mexico's federal public administration.
- Experience representing companies before authorities at all three levels of government.
- Preventive and corrective experience in business legal and regulatory risk.

EDUCATION

- LL.B., Universidad Regiomontana
- Master's in International Commercial Law, I.T.E.S.M.

ACADEMIA & TEACHING
